Homecoming Day Slated For November 10

Open House At College Sat. Afternoon

Plans for Homecoming Day have progressed rapidly in the past week, and action has been the theme and aim of all groups connected with the big day. Interclub Council has set deadlines for various phases of preparation, with the activities themselves scheduled for Saturday, November 10.

Ada Bassi and Margaret Trigeiro of the Hartnell College Alumni Association have made arrangements for the alumni dinner to be held at Berdell's restaurant in Valley Center at 5:30 for as many as 190 students, teachers, and alumni. Some 2,000 invitations have been sent to alumni for the excellent \$2.75 dinner with information regarding all events of the day.

Reservations are to be made in the main office either by card, telephone, or in person. A master of ceremonies will preside over the dinner in the main dining room, and some entertainment and speaking will highlight the affair. Only 130 can be seated in this main hall, but there are accommodations for 60 more upstairs if necessary.

Buses will definitely be run for out-of-town students, and are scheduled to arrive at the college at 1 o'clock, in time for the festivities. Presuming that everyone will have eaten some lunch before joining the alumni day, the guides and committee members on duty will immediately direct everyone to a special presentation of "The Two Mrs. Carrolls," relaxation in the student lounge, a student talent program, and climaxed by the coronation of the queen.

All groups on campus will have a chance to participate in the various enterprises if they formulate and submit final plans for their role in the affair by next Tuesday, November 6, 1951. These completed drafts must be delivered to Interclub Council President Ray Dyer, Homecoming Co-ordinator John Lew, or the A.S.B. office for Freda Ledford. A committee of Dyer, Lew, and Dick Johnson will have the job of fitting these plans into a complete schedule for the events preceding the dinner and football game.

This schedule will be released no later than Thursday of next week.

(Continued on Page 3)

Play To Be Presented Nov. 7, 8, 9

The Hartnell College dramatics group has only a week of rehearsals remaining before presentation of "The Two Mrs. Carrolls" in a matinee performance before the Hartnell student body next Wednesday at 3 o'clock. The performance in the Little Theater will cost A.S.B. card holders 50 cents, while adults will pay the sum of \$1.00 to witness the spine-chilling production.

Reservations can still be obtained at Whitehill's, the Hub, or the main office at the college for the Thursday and Friday night performances. The phone number of "The Hub" is 6319, and the college number is 8507. Latest release from the department is that a special presentation will be given for the alumni at half price on Homecoming Day.

Following are brief sketches of the cast members and their dramatic careers:

Tom Rogers plays the leading role of Geoffrey Carroll, in his sixth major role on the Hartnell stage. Tom is a drama major, and expects to be a drama instructor in the future.

Phyllis Williams is a veteran of three years under Mr. Ulrici's direction, and plays the role of Mrs. Sally Carroll, wife number two. She is majoring in radio drama.

Gladys Fegundas, the romantic interest, has had two years of high school stage work, but confesses that working with the college group is an entirely new experience.

Jeanette Galt plays the role of the divorced but still devoted wife. She has done her previous acting with the Carmel Valley Barn Players.

Stan Lovett is the relation who brings Tom Rogers and Gladys Fegundas together. He has had two years of experience on the stage of the Little Theater.

Barbara Brem plays the mother of Gladys Fegundas, and is the surprise member of the cast. Although she has had no previous experience, she is doing an outstanding job.

Roy Gibbs, although not a col-

Give Blood November 5th

Making an appeal for blood donors in a recent rally at Hartnell College are Cpl. Ross Herdson, left, who served 11 months in Korea as a medical corpsman, and Mr. Jim Willcot, Red Cross field director for the Fort Ord area. They appeared in conjunction with a drive being conducted on the college campus to secure donors for the visit of the mobile unit, November 5. The entire college football squad has signed up for donations.

Hartnell College football team, without a win on the field this season, made a gesture befitting champions last week. To the last man, the squad volunteered to donate much-needed blood when the American Red Cross Mobile Unit is in Salinas, Monday, November 5. The action of the gridders, a part of a blood drive on the campus, was announced at a donor rally held Friday at the college.

Personnel representing the United States Army and the American Red Cross were present to make an appeal for blood to help replenish dwindling reserves of the Red Cross. Mr. G. Ed Adams, Salinas Valley Red Cross chairman and Hartnell College athletic director, arranged the rally. He was assisted by Ken Van Cleave, chairman and center on the Panther football team.

Mr. Jim Willcot, Fort Ord Red Cross field director, gave the background for the present need for whole blood and interviewed Cpl. Ross Herdson, medical corpsman stationed at Fort Ord after serving eleven months in Korea.

Corporal Herdson, who has assisted in administering over 2,000 pints of whole blood to frontline casualties, emphasized the fact that whole blood supplies in the Korean Theater are not adequate to meet the demands of the wounded.

"Many times a wounded man has died on the operating table because whole blood of a special type was not on hand, and there was not enough time to draw a fighting man from the front to give a direct transfusion to the wounded man," Corporal Herdson stated.

He told of men who were being

(Continued on Page 2)

Two Elections To Be Held Next Week

Eleven Hartnell College beauties are vying for the honor of greeting the Hartnell "alums" when they return to the Hartnell College campus next Saturday. Campaign managers have been busily at work during the past two weeks huckstering their candidates.

Two general student elections will be held next week to choose the Homecoming queen. The first election, which will be held next Monday, will decide who are to be the five runnersup in the election. On the following Thursday one of these girls will be chosen Homecoming queen. In the first balloting, students must be sure to vote for five girls.

The queen will be crowned at the open house which is to be held at the college Saturday, November 10. The name of the queen, as has been the custom in past years, will be withheld until the coronation ceremonies.

In the evening the queen will attend the alumni dinner at Berdell's. Hartnell College students are invited to the dinner and may make reservations in the main office of the college.

After the dinner, the queen will be feted at the annual Homecoming football game. The game between Hartnell College and the San Jose State College reserves will be played on the Salinas Union High School football field.

For the benefit of commuting
(Continued on Page 2)

Dean Claud Addison In San Francisco Meet

An executive council meeting of the California Business Education Association will be attended by Mr. Claud Addison, dean of occupational division, on November 3, in San Francisco.

Mr. Addison is state president of the association which has a membership of more than 1,000 business teachers from California. The executive council is composed of all state and section officers.

Mr. Addison will be present on November 10 at a conference of the business administration liaison committee on the University of California campus.

Bus Drivers Given Safety Awards

Local bus drivers were informed that they had the best safety record in the state at a bus drivers' meeting last week. "In the past year," reported a representative of the Globe Insurance Company, "the company has had to pay only three claims for bus accidents."

Drivers of these buses received safety awards in the form of pins and certificates at the meeting. Most outstanding of those receiving awards was George Fiese who received his 15-year award. Mr. Fiese has, incidentally, driven without an accident for 20 years but the safety awards have been presented for only 15 years.

Other drivers who received awards are: Harry Imwalle, five years; Charles Volonte, four years; Iven Daggett and Homer Ripley, three years; Frank Armbruster, William Bell, Allen Chase, David Haenelt, Delbert Hull, Don Jacob, James Kimball, Richard Landon, Robert Nagel, and Fred Willson, two years.

Other drivers, with one year of safe driving, are: Glen Albaugh, Robert Amaral, Richard Childs, Richard deLorimier, Don Drew, Harvey Hall, Ben Marcus, Mike McCann, Ronald Millard, Robert Steinbach, Tony Stormont, and Darrell Williams.

CAMPUSOLOGY

By RAJAH

SMELL'MS: Have you noticed the decided freshness of the air in our musty halls lately? Joyce Hodge informs this department that change in atmosphere is partly due to the fact that older sister, Dorothy, has acquired a new pair of bucks, identical to the previous ones except that they will hold a polish, and will not bring uncomplimentary remarks from her friends.

Dorothy, however, counterinforms us that there was nothing wrong with her old bucks, and that she bought new ones only because she had saved up enough pennies to make the purchase. We appreciate both the information and protest, but you'll have to admit, Dorothy, that more than your protest tends to clear the air at old H.C.

WHO KNOSE ABOUT THIS? Rumors (spiced heavily with details) are flying around campus concerning the fractured facial features of a freshman photographer for La Reata. It seems that this son of a sun — er gun — felt that one of Coach Wilson's 30 sloth team members was being a bit sassy, and decided to put him in his place with a few witty words, whereupon the intelligence and honor of this refugee from the 1950 S.U.H.S. football team threatened to flatten the center of our camera-clicking comrade's face.

In an instant of irrevocable courage, sunny boy photographer called the bluff (?) of the uncouth ingrate who had audaciously threatened him and removed his protective spectacles and said, "Carry out your threat, COWARD!"

Oh, somewhere in this ill-favored town joy prevails tonight.

But I was punched in the proboscis by a nose-crushing right.

I now resemble Rudolph the Red Nosed Reindeer and blood is flowing.

And by golly I know whose knuckles started the nose to growing.

All names and hints thereof censored by no one. P.S.: I ain't responsible.

RAH, MANGERETTES! A critic of our marching band recently coined a word to describe the gals who strut in front of our band. The uncomplimentary word (two lines above) was overheard by two former band members, and we heard no more from the critic. Bravo!

Natural Science Subject of Meet

Science instructors comprising a special committee met October 25 in San Jose to evaluate progress of the newly incorporated natural science course at Hartnell College.

Representing Hartnell were W. J. McCallum, James Wilson, and W. J. Robinson of the science department. Also present at the meeting were five faculty members from San Francisco State and six from San Jose State. Doctor Gillette, formerly of Stanford University, was the evening's moderator.

November 15 has been scheduled for the next meeting.

Natural science is being offered at Hartnell for the first time this semester. It integrates useful portions of former physical and biological science courses, developed as a result of graduate study by several Hartnell science teachers at Stanford last spring.

The course is especially designed to meet the needs of the liberal arts student. Emphasis is placed on science as it relates to the Salinas Valley.

Red Cross Interview

Ken Van Cleave, head of the local student Red Cross chapter, will be interviewed by Ralph Rowland on KDON at 4:15 this afternoon. The subject of the interview will be the current blood donation drive, and the program will be, "Report on Hartnell."

This college presentation is heard at this time every Friday afternoon. Dave Pearson covers the sports news, Mary Gray and Phyllis Williams divulge varied campus chatter, and Ralph Rowland serves as announcer and interviewer. Mr. Harold Ulrici directs the show.

Women to Meet Monterey For Sport Events

The girls who are interested in sports will have a chance to prove what they can do by playing against the girls of Monterey Peninsula College. The sign-up sheet is posted in the women's gym for those interested. Speedball is coming up soon and later volleyball, softball and basketball. Not many girls have signed up so Betty Westphal of W.A.A. urges all girls to demonstrate their spirit and energy. A date has not been set for the speedball game.

Two boys and two girls will journey to San Mateo to take part in a badminton tournament, November 3. Since only four signed they will go on their own. Those going are Ann Young, Betty Westphal, Johnny Arreola, and Rosalino Quemma. Swimming will be included in the event.

An announcement came through from Betty Westphal which might mean quite a bit to some girls. It seems that the girls don't have a clear understanding of W.A.A. If this is the case with you, look up Betty and she will do her best to explain the deal about women's sports.

PLAY . . .

(Continued From Page 1)

lege student, has worked under Mr. Ulrici many times, and is one of the first nonstudents to aid the college in a new program to further outside interest in drama. He plays the role of Doctor Tuttle.

Bonnie Pilliar, who also works full time, plays the part of the French maid, Clemence. She has had some high school experience, and did varied work for the Hartnell Players last year.

SKI CLUB TO AWARD PAIR OF SKIS

The Ski Club met Monday to make plans for the awarding a prize of a pair of skis. The tickets, 50 cents apiece, will go into circulation around Homecoming Day. The award is to take place approximately a week before Christmas vacation. On Homecoming Day the Ski Club will present a movie of Switzerland depicting winter sports.

Word comes from up north that snow has fallen quite heavily so the club members hope to get away at the end of November to enjoy a week end of winter sports. Students are being reminded again to purchase their membership cards if they intend to take part in the coming activities. Cards are \$2.00 each. Members will meet two weeks from Monday with Al Janes presiding.

OPEN HOUSE . . .

(Continued From Page 1)

For this reason any problems concerning the time of a particular club activity should be presented to the committee members before the deadline of November 6. In order to obtain further details, all groups are requested to have their representatives present at the next meeting of the Interclub Council at 12:15 today in Room 2.

BAND PREPARES CONCERT MUSIC FOR COMING EVENTS

The Hartnell College band is working hard each day to improve their music and marching for the remaining games at home and in Monterey, announced Mr. Lorell McCann, band director.

"Members of the band live as far as King City, Gilroy, Santa Cruz, and Carmel," disclosed Mr. McCann, but in spite of the distance their attendance at the games has been excellent.

Work has begun on concert music and several campus concerts will be presented during the school year.

Members of the band include

Carl Triplett, Ronald Reeves, Pat Toney, Walter Kron, trumpets; Dave Haenneldt, Mike McCann, trombones; Wayne Savage, Dick Gularde, bass; Kenneth Lowe, horn; Rudy Sun, Marionell Lawson, Darlene Vaughn, Joyce West, Robert Azcona, clarinets; Leon West, Norman Weston, Edwin Ingersoll, Arthur Estaban, saxophones; Maryetta Lawson, bells; Leo Lanini, Marie Florentin, Lavern Seeman, field drums; Dick Binsacca, bass drum; Joyce Blasdel, drum major; Bonnie Pilliar, Dona Williams, Gloria Fellom, Mary Dutra, Wanda Yates, drum majorettes; Marilyn Ronneberg, cymbals.

Viking Comeback Too Much, Panthers Fold 37-21

Morena Runs Wild Over Harts; Hartnell-Giant Game Cancelled

After displaying their most potent offense this season in the first 30 minutes of play, the hapless Harts folded like an accordion in the final quarter to a spirited Contra Costa East Viking eleven, 38-21. The freescoring duel was staged at the Mount Diablo High School Stadium in Concord, Saturday, October 27, before a blanket covered smattering of 500.

Although the Viking rally was a team effort, one man, Halfback Vince Morena, showed mountainous courage and spirit in driving, twisting, cutting, and fighting his way to no less than four touchdowns. Morena was sprung loose for scoring runs of 10, 61, and 49 yards, and he caught a pass on the

The game with College of Sequoias, scheduled for tomorrow night at Visalia, was cancelled last week, according to Coach Ab Wilson. Both Hartnell and Sequoias were receptive to this cancellation.

Hartnell's physical condition necessitated this move. Visalia's Giants also found themselves greatly weakened by the loss of five players in the Taft Cougar battle.

The thin Panther squad will greatly appreciate the opportunity for a well deserved rest. This will afford them an extra week to let their numerous wounds heal. The next Hart encounter will be against the San Jose State Junior Varsity, November 10, Homecoming Day.

Hartnell 20, going into the end zone unscathed.

Panther Coach Ab Wilson, among others, praised Morena for his outstanding performance, saying: "Contra Costa rose to play championship ball against us and were paced by one of the finest backs in Northern California junior college grid circles."

However, the 38 to 21 final score was not in the least indicative as to the closeness of the bitterly contested struggle. In fact, Hartnell held a narrow 21 to 12 margin at the end of the third quarter. The tremendous comeback spirit that had built up during the third stanza exploded in the final frame.

The Panthers dented the scoreboard first in the opening seconds of the second quarter after unleashing a 70-yard sustained drive. The slashing ground attack of Don Benedetti, Marty Norman, and Randy Blair brought the ball to the Contra Costa 33-yard stripe. From there Elmer Valli hit Tom

Grant, wiry end, with a 17-yard pass along the sideline. Four plays later, Valli flipped out to Blair who flashed around his right end to score, Norman's conversion split the uprights.

The Vikings gathered in Lou Bertelli's kickoff and did not relinquish the ball until they had struck pay dirt. The scoring play came in the form of a 35-yard aerial from Ollie McClay to Morena.

Hartnell duplicated the feat by marching from their 25, where Blair returned the kickoff, to the Viking 32. At this point Valli pitched to Norman, who had completely eluded the Contra Costa secondary, for the second Hart T.D. Incidentally, this was Valli's seventh scoring pass this season. Norman's placekick was good but a Panther lineman was detected holding, the ball was moved back to the 17 1/2-yard line for a second attempt. Little Norman very professionally skied the ball between the goal posts some 37 yards away. Halftime score: Hartnell 14, Contra Costa East 6.

VIKINGS A NEW TEAM

The Vikings came out at half-time looking like an entirely different club. They put together another sustained drive to pay dirt. This push was halted twice by the Panther defense but breaks gave life to their scoring opportunities. Ernie Ferrario, co-captain with Blair for the game, was declared "roughing" McClay in a cose call on a fourth-down punt. Ferrario immediately apologized, saying that he was unable to halt his forward momentum, but the damage was done. This gave the Vikings a first down on the Hart 45. After again holding the Green and Gray's running game, McClay threw to Morena on the 10-yard stripe. Paul Frieble and Blair banged together on an attempted interception and the alert Morena made like a juggler in picking the slippery porkhide off the turf. To add to this indescribable theft—that man—Morena skirted left end for 10 yards to tally on the ensuing play.

The Panthers, fighting for their lives, mustered strength for one more driving score. This one went 85 yards and was climaxed by Benedetti's three-yard buck. Norman

AROUND THE INFIELD

The following are a few well-served words of praise for Hartnell's fine show of sportsmanship displayed Saturday night in Concord. We don't wish to start another fiasco similar to that which arose through the various comments issued after the Cal-U.S.C. game—but the Vikings' tactics were extremely rough and ungentlemanly. On previous occasions the Panthers have established themselves as fairly handy with their mits, however the Harts, not wanting any costly penalties, absorbed many punches and elbow slams

added this third extra point to make it 21-12 going into the final quarter.

The fourth quarter was all Contra Costa—and Morena. On the Vikings' first scrimmage play, the stocky Morena sped off tackle, reversed his field twice and dashed into the end zone 58 yards away.

After a fruitless Hartnell offensive series, Ron Wently, quarterback, handed to Morena on a tackle trap and watched him streak through the entire defense to score the go-ahead touchdown for the Vikings. Morena collapsed in the end zone from sheer exhaustion.

Two late potential Hartnell touchdown drives were ended very abruptly by pass interceptions. The first was converted into a 63-yard Contra Costa paydirt march. The second was picked off in the flat by Salvatore Costanza and run back 87 yards to score as the final gun sounded. Those two scores were superfluous as the Harts had opened up the game in order to overcome the 25-to-21 deficit facing them in the waning minutes of the game.

Cross-Country At Modesto J.C.

Hartnell's cross-country trio of Ray Dyer, Bob Alioto, and Carl Cookson venture today to Modesto where they will compete with several junior colleges in running the two and one-half mile race. The sandy-covered river bottom course is reputed to be an extremely tough one to run.

without returning the blows. This cheek-turning attitude resulted in multiple bruises and puffed lips, but it proved fruitful in the offensive marches. Hartnell put together five sustained drives, none of these being marred by unnecessary penalties.

Our bitter rivals on the Monterey Bay, Monterey Peninsula College, also suffered a hard-fought defeat, being outclassed by the Menlo Oaks, 46 to 27. The high-scoring affair was played in Monterey before a capacity crowd of partisan rooters. The loss badly bent the Lobos' aspirations for a league pennant. In the same respect, undefeated Menlo is now regarded a shoo-in for the championship.

Athletes Forfeit Earned Awards

A special Block "H" Club meeting was held last Friday to decide whether or not jacket awards will be given this year due to the existing financial difficulties.

The club members voted unanimously to give up their awards this year. This sacrifice will enable Hartnell to keep the athletic program at its normal pace and future games will not have to be eliminated.

A suggestion by Harold Bowen earned the approval of all members and should prove to be the means for obtaining jackets after all. He suggested that a variety show be given in the local high school auditorium and talent from Salinas and neighboring cities could supply an evening of enjoyable entertainment. All proceeds of this affair will be used for the jacket awards. At the next meeting definite plans will be made in regards to the date and handling of the variety show.
